

Preparing for your Big Group Reptiles Alive!^{LLC} Birthday Show!

Your Live Animal Show from Reptiles Alive! LLC will be wildly exciting and fun. To help you prepare for your show, please read the following:

1. Close PARKING must be provided. We will **not** perform your show if there is no close parking.
2. Please allow the educator access to the performance area at least 15 minutes prior to the show start time. Please have a responsible adult keep children and adults away from the performance area while the educator unloads and sets up.
3. The largest room with the least amount of furniture will be the best place to perform your show.
4. Plan on having your show indoors. We can only perform outside if the temperature is above 65 F and there is TOTAL shade for our animals and audience.
5. Electrical access must be available within 25 feet of the performance area.
6. Please remove all pets (except fish) from the show area before we arrive.
7. Please do not allow children or adults to walk behind, to the side, or within 6 feet of the educator during the program. (This is the gray area labeled “no people zone”)
- 8. If there are STAIRS, the educator may need help loading and unloading.**
9. Please start your party at least 30 minutes prior to the start time of your Reptiles Alive show.
10. Tipping your educator is appreciated.
