

# HOW TO PREPARE FOR YOUR REPTILES ALIVE! LLC HANDS ON SHOW

*Please help your educator by reading the following:*

1. Please provide your educator with a **close** parking space. We will not perform your show if no close parking is provided.
2. An audience size of 15 or less children is ideal. Audiences of more than 20 will **not** receive a hands-on show.
3. Children under 3 years of age will not be allowed to touch animals.
4. The children will need to sit in one single file row so every child gets a “front row” seat.
5. Please move desks and other furniture to the sides of the room to create a large open space.
6. Please remove all pets (except fish) from the show area before we arrive.
7. Please do not allow children or adults to walk behind, to the side, or within 6 feet of the educator during the program. (This is the gray area labeled “no people zone”)
8. Eating and drinking is not allowed during the show.
9. All show participants must wash their hands with soap and water after touching the animals. Adults should supervise younger children to make sure hand washing is done correctly.
