

## Tips on Preparing for Reptiles Alive Big Group Party Shows

1. Close PARKING must be available for the RA wildlife educator when he/she arrives so the animals may be safely loaded to the performance area.
2. Allow the educator access to the performance area at least 15 minutes prior to the show start time and have a responsible adult keep children and adults away from the performance area while the educator unloads and sets up.
3. The largest room with the least amount of furniture will be the best place to perform your show.
4. Plan on having your show indoors. We can perform outside if the temperature is above 65 F and there is shade.
5. Electrical access must be available within 25 feet of the performance area.
6. Please remove all pets (except fish) from the show area before we arrive.
7. Please do not allow children or adults to walk behind, to the side, or within 6 feet of the educator during the program. (This is the gray area labeled “no people zone”)
9. Start the party at least 30 minutes prior to the start time of the Reptiles Alive show.
10. Tipping the educator for a job well done is appreciated.

*If Reptile Encounters has been booked along with the show:*

1. Please provide a 1-2 tables
2. All participants must wash their hands with soap and water after touching animals. Adults should supervise younger children to make sure hand washing is done correctly.

Please contact us with any questions or concerns before your show.

Thank you so much for booking with Reptiles Alive!
