

Preparing for your Reptiles Alive! LLC Live Animal Zoo!

Your Live Animal Zoo from Reptiles Alive! LLC will be wildly exciting and educational for your audience. To help you prepare for your zoo, please read the following:

1. Close PARKING must be provided. We will **not** be able to set up your zoo if close parking is not provided.
2. Please allow the educator(s) access to the performance area **at least one hour** prior to the show start time.
3. Outside zoos can only be presented when the temperature is above 60 degrees and there is complete shade for the display area.
4. Please provide 4-8 large rectangular tables. They may be arranged as shown in picture below or in a U-shape against one wall.
5. If there are STAIRS, the educator **WILL** need help loading and unloading.

Live Reptile Zoo Exhibit animal touching policy:

We do not guarantee the public will be allowed hands-on contact with live animals. We MIGHT allow contact if the following conditions are met:

1. No food or drink is being served at the event during the Zoo Exhibit.
2. Hand-washing facilities are readily available.
3. The exhibit is not too crowded.
4. The animals are amenable to being touched.
